

2016 Skills USA
Kansas Carpentry Championship
April 19th, 2016

Make an Investment in the Future Construction Workforce of Kansas

Students from Construction Technical Education Classes of high school & post-secondary schools will compete at the 2016 Skills USA Kansas Carpentry Championship.

SkillsUSA, is a partnership of students, teachers and industry, working together, to help ensure that America has a skilled workforce. Since 1965 Skills USA has served career and technical education students through leadership and occupational development experiences. The championship, which is one of those experiences, will be held at UCI, 1850 S. Hoover Road in Wichita Kansas on April 19th, 2016.

NEW

The event has been a success because of industry support. This year we are going to be asking for volunteers to talk to the students about the Construction Industry and about their company.

Our goal in bringing Construction Industry Leaders in to talk to the students. We want the students to see that the construction industry is a great place to work. We hope to impart that our industry is in need of great skilled labor like them.

Here is what's needed for 2016:

- Volunteers to serve as judges the day of the event.
Volunteers to talk with the students about the Construction Industry.
Materials for the competition.
Prizes for 1st, 2nd & 3rd place in each division.
Cash to be used for scholarships for the 1st place competitor of each division's school to help with the expense of going to the SkillsUSA National Conference in Louisville, Kentucky as well as to purchase those things needed for the competition which are not donated.

Use the following form to signify how you can help this year.

If you have questions, contact Cloys Bayless at CBayless@agcks.org

Yes, _____ (company name) wishes to help support the Kansas Carpentry Championship of Skills USA. Count on us for:

_____ Name(s) of volunteer(s)
