

SCORE Subcontractor Pre-Qualification

Thank you for your interest in working with McCownGordon Construction. Subcontractors are required to be enrolled in the SCORE System to be qualified to receive future subcontract awards from McCownGordon Construction.

The SCORE system is a third party analysis of your company performed by Lockton Companies. In the system you will be asked to submit financial information, references and safety history. This review will be done on an annual basis. The link for the Lockton S.C.O.R.E. system is <https://Score.lockton.com/login.aspx?R=MGCL-12052324>.

You may enroll by going to the link listed above and requesting an account. Once the request has been submitted, you will receive an email with a password and instructions on how to proceed.

After your SCORE profile is complete, we will be happy to get your company added to the bid list to receive future invitations.

If you have any questions about the process, please do not hesitate to contact us. I can be reached at 816-877-0616 or by email at tkirkwood@mccowngordon.com.

Thank you,
Tiffany Kirkwood
