Water Storage Tower

WCI File: 12-200-510-02

Bid Package No. 3

Sealed Bids for the construction of the Water Storage Tower will be received by Owner, at the office of the City Clerk, City of Conway Springs; 208 W. Spring Avenue; Conway Springs, KS 67031, until 3:30 PM local time on December 6, 2017, at which time the Bids received will be publicly opened and read. Bids received after this time will not be accepted.

The Project consists of the construction of a single, 300,000 gallon elevated water storage tower. The total work from the contract will consist of constructing a single elevated water storage tower, water tower foundation, 12-inch water piping to/from the water tower, connection to valve vault, coordination with other construction; mixing system (via change order), and all other incidental and appurtenant work required to complete the improvements as shown and specified. Multiple elevated water storage tower types will be bid and only one will be selected for construction.

Bids will be received for the Water Storage Tower improvements. Bids shall be on a lump sum price basis.

Bidding Documents in electronic Adobe Portable Document Format (pdf) can be viewed or downloaded through the online Plan Room at <http://www.wilsonco.com/plan-room> at no charge. Printed copies of the proposed Bidding Documents may be obtained from the Wilson & Company, Inc. Engineers & Architects upon receipt of a non-refundable deposit in the amount of \$90.00 for each set, not including tax and shipping costs. Contractors, subcontractors, suppliers, etc. must register or log-in to view and/or download Bidding Documents. Complete sets of Bidding Documents must be used in preparing Bids; neither OWNER nor ENGINEER assumes any responsibility for errors or misinterpretations resulting from the use of incomplete sets of Bidding Documents. For any questions regarding ordering or viewing of the Bidding Documents please contact:
