Water Utility Valve Installation**

WCI File: 18-600-512-01

Sealed Bids for the construction of the Water Utility Valve Installation, will be received by OWNER, at the office of 114 N. Broadway, Sterling, KS 67579, until 1:30 PM local time on November 14, 2019, at which time the Bids received will be publicly opened and read. Bids received after this time will not be accepted.

The Project is generally described as follows:

Water Utility Valve Installation: Work includes furnishing all the labor, materials, and equipment for the mobilization, insertion valve installation, and the removal and replacement of surfacing. The improvements include, 20 4-inch insertion valves, 25 6-inch insertion valves, 3 8-inch insertion valves, removal and replacement of surfacing, and all other incidental and appurtenant work required to complete the valve installations as shown and specified.

Bidding Documents in electronic Adobe Portable Document Format (pdf) can be viewed or downloaded through the online Plan Room at <http://www.wilsonco.com/plan-room> at no charge. Printed copies of the proposed Bidding Documents may be obtained from the Issuing Office upon receipt of a non-refundable deposit in the amount of \$100.00 for each set, not including tax and shipping costs. Contractors, subcontractors, suppliers, etc. must register or log-in to view and/or download Bidding Documents. Complete sets of Bidding Documents must be used in preparing Bids; neither OWNER nor ENGINEER assumes any responsibility for errors or misinterpretations resulting from the use of incomplete sets of Bidding Documents. For any questions regarding ordering or viewing of the Bidding Documents please contact the following:
