

The Kansas City District of the U.S. Army Corps of Engineers will be holding an Industry Call on **July 11th, 2022 at 11:00 am, central time**. The call will address upcoming contract opportunities for Corps of Engineers civil works projects located at **Harlan County Lake, Nebraska** (Republican City, NE). Information regarding the scope and schedule of the upcoming projects will be shared during this call. Please share the call-in information with others that may be interested.

In order to help provide you with the most useful information regarding these upcoming contract opportunities, please respond to this email with questions or topics you request we address during the Industry Call. We will not respond individually to these responses, but we will attempt to incorporate the requested information during the call. We will also take questions during the call.

Thank you for your interest in working with the Kansas City District, we look forward to your participation in this call.

Conference Call Information For July 11, 2022 at 11:00 am, Central Time:

Join by Meeting LINK:
