ADVERTISEMENT FOR BIDS

City of Englewood
Water Distribution System Improvements
WCI File: 15-600-511-00

Sealed Bids for the construction of the Water Distribution System Improvements will be received by ENGINEER, at the office of Wilson and Company 1700 E. Iron Ave. Salina, KS 67401, or via electronic bidding at <https://wilsoncoplanroom/projects/public> until 11:00 A.M. local time on December 10, 2024 at which time the Bids received will be publicly opened and read. Bids received after this time will not be accepted.

The Project consists of the construction of approximately 850 linear feet of 2-inch PVC waterline; 3,360 linear feet of 3-inch PVC waterline; gate valves; connections to existing system; water service connection; meters; well site improvements; chlorination building improvements; and all other incidental and appurtenant work required to complete the improvements as shown and specified. Bids shall be on a unit price basis.

Alternates will consist of additional waterline, water service connections, hydrants, gate valves, connections to existing systems, standby generator, as well as other incidental and appurtenant work.

Bidding Documents in electronic Adobe Portable Document Format (pdf) can be viewed and downloaded at the following link: <https://www.wilsoncoplanroom.com/projects/public>.
