

# SECTION 00111 – ADVERTISEMENT FOR BIDS

City of Quinter  
Quinter, KS  
Water Supply System Improvements

## General Notice

The City of Quinter (Owner) is requesting Bids for the construction of the following Project:

Water Supply System Improvements  
19-600-515-01

Bids for the construction of the Project will be received at the office of the City Clerk located at 202 Gove St, Quinter, KS 67752, until February 13<sup>th</sup>, 2025, at 1:30 PM local time. At that time the Bids received will be publicly opened and read.

The Project includes the following Work:

**Water Supply System Improvements:** Work includes furnishing all the labor, materials, and equipment for construction of a water supply well; chlorination building; excavation; backfilling; site and building concrete work; architectural work; masonry block construction; process piping; mechanical and electrical equipment; valves, hydrants, & appurtenances; 4 inch water supply line; automated vacuum operated chlorine gas equipment and booster pump; telemetry; gravel surfacing; grass seeding; erosion control; well piping and electrical improvements; and all other incidental and appurtenant work required to complete the improvements as shown and specified.

**Alternates:** Addition of a permanent standby propane generator and appurtenances.

Owner anticipates that the Project's total bid price will be approximately \$900,000. The Project has an expected duration of 240 days.

## Obtaining the Bidding Documents

Information and Bidding Documents for the Project can be found at the following designated website:

<https://www.wilsoncoplanroom.com/>

Bidding Documents may be downloaded from the designated website. Prospective Bidders are urged to register with the designated website as a plan holder, even if Bidding Documents are obtained from a plan room or source other than the designated website in either electronic or paper format. The designated website will be updated periodically with addenda, lists of registered plan holders, reports, and other information relevant to submitting a Bid for the Project. All official notifications, addenda, and other Bidding Documents will be offered only through the designated website. Neither Owner nor Engineer will be responsible for Bidding Documents, including addenda, if any, obtained from sources other than the designated website.

The Issuing Office for the Bidding Documents is:

Wilson & Company, Inc. Engineers & Architects  
1700 E. Iron Ave, Salina, KS 67401  
Telephone: 785-827-0433

A pre-bid conference for the Project will ***not*** be held.

### **Instructions to Bidders.**

For all further requirements regarding bid submittal, qualifications, procedures, and contract award, refer to the Instructions to Bidders that are included in the Bidding Documents.

American Iron and Steel:

Section 746 of Title VII of the Consolidated Appropriations Act of 2017 (Division A - Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2017) and subsequent statutes mandating domestic preference applies an American Iron and Steel requirement to this project. All iron and steel products used in this project must be produced in the United States. The term "iron and steel products" means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and Construction Materials.

The following waivers apply to this Contract:

*De Minimis,*

Minor Components,

Pig iron and direct reduced iron

This project is funded in part by United State Department of Agriculture – Rural Development (USDA-RD). Bidder's attention is called to the required compliance with USDA-RD funding requirements.
