Wastewater Lagoon Facility Improvements
WCI File: 20-600-501-02

Sealed Bids for the construction of the Wastewater Lagoon Facility Improvements will be received by OWNER, at the office of the City Clerk, City of Smith Center; 119 W. Court; Smith Center, KS 66967, until 2:00 PM local time on March 20, 2025, at which time the Bids received will be publicly opened and read. Bids received after this time will not be accepted.

The Project is generally described as follows:

General: Work includes furnishing all the labor, materials, and equipment for the construction/improvements at the wastewater lagoon facility. The general overall project improvements include construction staking, mobilization, erosion control, approximately 17 acres of grass seeding, and all other incidental and appurtenant work required to complete the improvements as shown and specified.

Wastewater Lagoon Facility Improvements: Work includes furnishing all the labor, materials, and equipment for the wastewater lagoon facility improvements. The improvements include approximately 96,776 cubic yards of common excavation, approximately 92,244 cubic yards of earthwork compaction, 7,355 square yards of crushed concrete slope protection, manhole installation/rehabilitation, 103 linear feet of 12-inch DIP lagoon piping, 493 square yards of gravel surfacing, 2,175 linear feet of woven wire fencing; trenching; backfilling; over excavation; compaction; concrete work; site grading; and all other incidental and appurtenant work required to complete the improvements as shown and specified.

Alternate No. 1: Work includes furnishing all the labor, materials, and equipment for installing 7,355 square yards rock rip-rap slope erosion protection on the sides of the proposed storage cells, therefore deleting crushed concrete slope erosion protection.

Bidding Documents in electronic Adobe Portable Document Format (pdf) can be viewed or downloaded through the online Plan Room at <https://www.wilsoncoplanroom.com> at no charge. Printed copies of the proposed Bidding Documents may be obtained from the Wilson & Company, Inc. Engineers & Architects upon receipt of a non-refundable deposit in the amount of \$150.00 for each set, not including tax and shipping costs. Contractors, subcontractors, suppliers, etc. must register or log-in to view and/or download Bidding Documents. Complete sets of Bidding Documents must be used in preparing Bids; neither Owner nor Engineer assumes any responsibility for errors or misinterpretations resulting from the use of incomplete sets of Bidding Documents. For any questions regarding ordering or viewing of the Bidding Documents please contact the Issuing Office.

The Issuing Office for the Bidding Documents is:

Wilson & Company, Inc. Engineers & Architects, Salina, Kansas.
Telephone: 785-827-0433

Addendums and plan holder list will also be available through Wilson & Company, Inc. Engineers & Architects <https://www.wilsoncoplanroom.com>

A pre-bid conference will not be held.

Bid Security will be required in accordance with the Instructions to Bidders.

Bidder qualifications may be required in accordance with Instructions to Bidders.

Contract time will be set in accordance with the Agreement.

OWNER reserves the right to reject any or all Bids and to waive irregularities in bidding.

This project is funded by a Kansas Department Health and Environment Revolving Loan (KWPCRF), Bidder's attention is called to the required compliance with KWPCRF funding requirements. Associated certifications and the completion of other documents will be required for the successful completion of the project. All bidders are required to comply with Local, State, and Federal regulations as stated in the bid documents.

Bidders on this work, including subcontractors or vendors, will be required to comply with the President's Executive Order No. 11246 (Equal Employment Opportunity) as amended. Requirements for bidders and contractors are explained in the Bid Documents.

Bidders must fully comply with Subpart C of 2 CFR Part 180 AND CFR Part 1532, entitled Responsibilities of Participants Regarding Transactions. Contractors, subcontractors, or suppliers that appear on the Excluded Parties List System at www.sam.gov are not eligible for award of any contracts funded by the Kansas Water Pollution Control Revolving Fund.

All contracts and subcontracts exceeding \$100,000, at any tier under SRF Loan Agreement shall comply with the Anti-Lobbying Act, Section 319 of Public Law 101-121, and file an Anti-Lobbying Certification from, and the Disclosure of Lobbying Activities from, if require, to the next tier above.

Attention of bidders is particularly called to the requirements as to conditions of employment to be observed and Federal prevailing wage rates to be paid under the contract.

Statutes mandating domestic preference applies an American Iron and Steel requirement to this project. All listed iron and steel products used in this project must be produced in the United States. The term "iron and steel products" means the following products made primarily of iron and steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and construction materials. The deminimis and minor components waiver apply to this contract.

Any questions regarding the Bidding Documents should be directed to Engineer.
