

## WHO WE ARE

The Construction Leadership Council (CLC) is a professional group within AGC of Kansas created for young and emerging leaders. Our mission is simple: to connect, educate, and engage the next generation of construction professionals.

We provide a supportive environment where members can share ideas, build leadership skills, and gain industry insight while developing strong relationships with peers and mentors.

## OUR VISION

To foster collaboration and growth among Kansas's rising leaders, ensuring a strong and sustainable future for the construction industry.

**WE ARE DEVELOPING  
OUR MEMBERS TO  
BECOME FUTURE  
LEADERS IN THE  
CONSTRUCTION  
INDUSTRY**

## JOIN THE CLC

Be part of a dynamic community of professionals who are passionate about building Kansas. Whether you are starting your career or stepping into leadership, the CLC offers the resources and network you need to succeed.

## MEMBERSHIP

- Young professionals in AGCKS member firms
- Future leaders in construction-related fields
- Those eager to make a difference through industry and community service

CONSTRUCTION  
LEADERSHIP  
COUNCIL

@KansasCLC

**ACTIVE  
INVOLVED  
ENGAGED**

The CLC empowers emerging leaders in Kansas' construction industry. Through networking, leadership development, and community involvement, we prepare professionals to shape the future of construction.

of KANSAS

## OPPORTUNITIES & EVENTS

The CLC organizes programs that combine education, service, and fun. Members gain hands-on experience while forming meaningful connections.

**Educational Workshops:** Practical sessions led by industry experts.

**Jobsite Tours:** Explore active construction projects and learn from real-world examples.

**Networking Mixers:** Social and professional gatherings to expand your circle.

**Community Projects:** Volunteer initiatives that showcase the industry's impact.

**Leadership Roles:** Committee service and opportunities to shape statewide programs.

*Each event is designed to provide both immediate value and long-term career development.*

## BENEFITS

**Professional Growth:** Access training sessions and leadership workshops that prepare you for management roles.

**Networking:** Build connections with peers, mentors, and established industry leaders.

**Leadership Pathways:** Opportunities to serve on committees, lead initiatives, and represent your company and industry.

**Industry Awareness:** Stay ahead of trends, policies, and innovations that affect Kansas construction.

**Community Service:** Contribute to meaningful projects that strengthen communities statewide.

*Joining the CLC means investing in yourself and your future career in construction.*

## OUR IMPACT

- Annual educational and networking events across Kansas
- Growing membership of young professionals from AGCKS firms
- Community service projects that highlight construction's role in strengthening Kansas communities
- A recognized pipeline for future leadership

## LOOKING AHEAD

The CLC is more than a professional group — it's a movement to prepare the construction industry for tomorrow. As we continue to grow, members will have new opportunities to:

- Take part in statewide leadership initiatives
- Collaborate on industry advocacy efforts
- Expand to engage students and young professionals considering construction careers
